

SIGNAL HILL, CA

## WHO WE ARE

Signal Hill Rotary Club is made up of 12 fun and engaged members. The club is focused on fellowship and serving the community. They meet every Thursday morning at Black Bear Diner. The club's purpose is to better lives, locally and globally, one friendship at a time.

## WHAT WE DO

Signal Hill Rotary's most recent project was the inaugural Bob Long Memorial Mutt Run . A 5K for both humans and canines, that also included a Halloween dog parade, proceeds went to support the Long Beach Animal Care services.

The club has also partnered with other Rotary clubs in the area on the Guatemala School and Clean Water Projects, Habitat Restoration at Bolca Chica, and an extreme makeover at the Santa Ana Women's Shelter.

They recently gathered with additional clubs in the area for a wine tasting event, where they enjoyed wining, dining, and the company of their fellow Rotarian's while raising money for upcoming projects.

## MEMBER EXPECTATIONS

The club relies on active, engaged members. We ask our members to be motivated to serve their communities - and to have fun while doing it. Club dues are approximately \$60/month and are used to support local club projects, the reserve fund, the Rotary Foundation, and administration fees.

Thursday

7am-8am

Black Bear Diner
